CAL0019

CALTEX STARCARD. THE FUEL CARD TO HELP DRIVE YOUR BUSINESS.

FOR MASTER BUILDERS' MEMBERS

STARCARD, THE SMARTER CHOICE.

StarCard offers a level of control, flexibility and ease of use to make your fuel costs more manageable. It enables you to have the visibility to manage your account effortlessly with one simplified monthly invoice. This convenience and control gives you the ability to closely monitor your outgoings and help drive your business.

If you're after a more comprehensive fleet management solution, we also offer StarFleetPlus.

CONVENIENCE AND 24 HOUR SUPPORT.

StarCard gives you access to the Caltex network of over 1,800 fuel and convenience retail outlets across Australia. This means you're never far from your next fill-up.

Should you need help with lost, stolen or manual authorisation calls or PIN resets, please call the Caltex customer service team on 1300 365 096, available 24 hours a day, 7 days a week.

CARD SECURITY.

You can choose to add a PIN and odometer reading to every card. The user's PIN is confidential. Every time the card is used, our Electronic Payment System carries out online validation to verify where the transaction has taken place. Each payment is then tracked and listed on your monthly invoice, which reduces the possible risk of fraud or abuse.

VISIBILITY OF YOUR ENTIRE FLEET, 24/7.

With StarCard, every month you'll receive an ATO-approved invoice, which shows the date, location and products purchased, to help make BAS reporting hassle-free.

CONTROL OVER PURCHASES & SPENDING.

You can set different spend limits and purchase restrictions for each card. This allows you to pre-set limits on your fuel spend, daily or monthly. There's also the ability to set restrictions around what types of purchases are allowed on each card (e.g. fuel and lubricants only, groceries, car accessories, etc).

OPTIONAL ROADSIDE ASSISTANCE.

National Roadside Assistance is an optional extra with your StarCard. For one low monthly payment on your StarCard you receive unlimited calls for mechanical breakdowns, emergency fuel*, tyre changing (using serviceable spare), flat batteries*, key lockout* and towing (up to 20km).

*Product/service at customer's cost

To apply for StarCard, call Skye from Master Builders on **08 9476 9813** or visit www.mbawa.com/pages/679/member-savings-scheme
