

WEBHOUSE
GROUP

Looking for a New Website?

An online presence is a vital business communication tool. All businesses, no matter how small, are expected to have a web presence.

Master Builders has partnered with Webhouse, an internet development company, to assist Master Builders members in developing and managing websites at an **EXCLUSIVE DISCOUNTED RATE**.

There are **4 types of website packages** available to Master Builder Members:

BRONZE

\$450.00

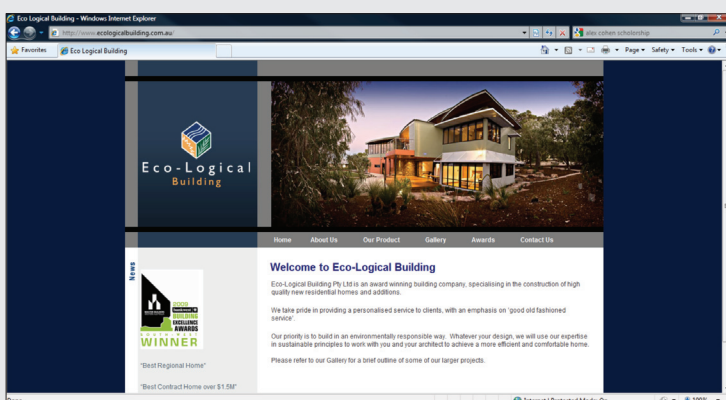

SILVER

\$950.00

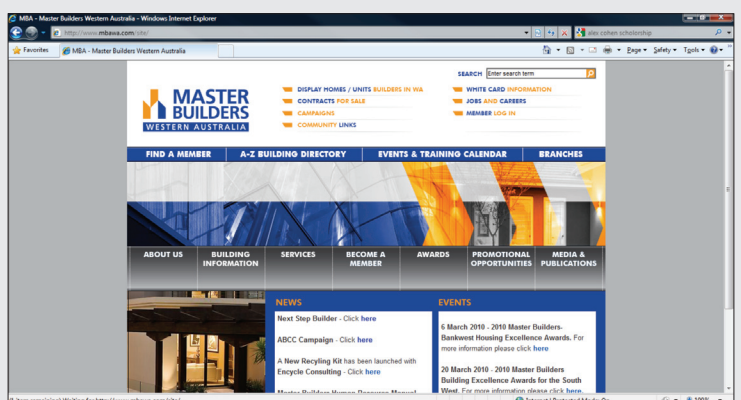

GOLD

\$2,450

PLATINUM

\$3,250

Webhouse Group has developed a leading internet content management system that incorporates a range of advanced functionality modules (Website Engine), that enables Webhouse to deliver state-of-the-art internet products quickly and economically. It allows clients to edit and maintain their own websites, should they wish to, easily and cost effectively.

Please see the reverse side of this flyer to view the range of websites offered. These include the development costs, on-going fees, hosting, bandwidth, content management system for editing the website, standard web-engine upgrades and technical support.

Please contact **John Lawson** from **Webhouse Group** for more information on **08 9336 5343**
