## From the Manager's desk...

At 8.17am on Tuesday 13 April residents of Kalgoorlie-Boulder had their world rocked by a 5.0 earthquake followed by many more tremors averaging 2.0 on the Richter scale.

Master Builders was the first cab off the ranks to start a fund-raising appeal for the victims of Boulder. With great support from Michael Young and fellow committee members we were able to raise \$11,000, which is being held in a trust fund by the City of Kalgoorlie-Boulder.

I sincerely thank all the sponsors for your generous donations and support of the Master Builders Fundraising Appeal. The sponsorship positively contributed to the success of the Appeal. It was fantastic to see so many local businesses supporting the Fundraising event.

Sponsors of the Appeal were; Stratco, McBrides Garden Centre, Kalaire & BBQ's Galore, Reece, Mobile Pest Control, Ramms Building Design, Binduli Wines, Bunnings Warehouse, Solomons Carpets, National Australia Bank, Michael Young, Westralia

Homes, Midland Brick, Aggreko, Crown and Leisure, Dick Smith, Kalsec, Palace Hotel, The Laminex Group, Railway Motel, Brownes, Mr Con Krist and True North Building Assessors.

Nominations for the Master Builders-Bankwest Building Excellence Awards in Kalgoorlie have CLOSED. To date we have 37 entries of which 5 are from Esperance. Judging commences on Monday 28 June in Kalgoorlie. To complete the judging process in Kalgoorlie we have a Telstra Sundowner on Wednesday evening. Judging finishes in Esperance on Friday 2 July with a Midland Brick Sundowner. Watch out on email for more info on these events. See the last page for dinner booking forms.

Turning another year wiser in June is our Deputy Chairman, John Truman - Happy Birthday John.

Regards

**COLLEEN HORTON**  
Regional Manager,  
Goldfields Esperance Region

## Training Courses

The Goldfields Esperance Branch has finally been successful in running training courses in Kalgoorlie-Boulder.

During the last two months we have run five training courses; Electrical Testing and Tagging, Carryout Safe Tilt-up Work, Time Management, Becoming an Effective Supervisor and Asbestos Removal with numbers ranging from 6 to 11 participants.

A large percentage of the participants for these courses were Master Builder members, completely opposite to other courses run last year, which were dominated by non-members.

All five courses were held at the Kalgoorlie-Boulder State Emergency Service Building in Hamilton Street Boulder.

There have been many courses scheduled for the next six months both, in Kalgoorlie and Esperance. I hope that you will make the time to participate in these; education is by far a huge benefit to both employee and employer!

**Participants on the Effective Supervisor Course**

**Asbestos Removal Course**

## Seminars

### City of Kalgoorlie-Boulder

On the 7 April, staff from the City of Kalgoorlie-Boulder presented an information seminar.

The Seminar took place after our committee meeting. Both meetings were held at Golden Hind House, MacDonald Street, Kalgoorlie.

Items of discussion at the seminar were in regards to the changes and re-structure to the Builders Registration Board (soon to be Building Commission) and also included changes that directly impacted on the planning and building process locally.

Sessions like these are very helpful to members and make life easier when dealing with the Council. I encourage you to attend these free seminars to ensure you are up to

date with the most recent changes.

David Mitchell, Manager Building and Planning, City of Kalgoorlie-Boulder ensures me that MBA members are leading the way and are, by far, more organised in their submissions than non-members. Well-done team.

## Apprenticeships

Employing apprentices has never been easier.

That is the message, which came out of the Apprentice Seminar held on the 23 April in Kalgoorlie-Boulder at the Small Business Centre.

Representatives from ABBTF, Construction Training Fund, Fast Track Apprentices, Master Builders Perth and The Holmes Street Trade Centre were all in attendance.

A great deal of funding is available for employers taking on apprentices including those who host an apprentice.

For more information on apprenticeships please feel free to call me.

# Kalgoorlie Golf Day Classic

Thank you to all our sponsors for your generous support of this year's Master Builders–The Laminex Group Goldfields Golf Classic event.

Sponsorship contributes positively to the success of this event, which is very apparent through the growth in numbers each year not to mention the large amount of terrific prizes, which would not have been possible without their support.

This year we were threatened by cold weather and rain, but nothing would stop the golf day, not even an earthquake!

The event started at 12noon with a sausage sizzle donated by O'Connor Fresh IGA and finished the days activities with a hearty beef and gravy roll before presentation.

The Laminex Group team were the winners for the day and unfortunately weren't available for a photo! Turd Burgulars (DWE Plumbing) come in second and Goldlock Bandits (Goldfields Locksmiths) came a very close third.

Laynie Bryce (Left) assisted with drink deployment.

DWE Plumbing team took out second place

Goldfields Locksmiths team came a close third place.

I hope that everyone will be able to participate in the 2011 Master Builders Goldfields Golf Classic, which will be held on the Anzac long weekend in April on the new Golf Course!

Team Franks toast to the day's succes.

Ciara Oldham, RTL Property Developments lines up.

Dean Franks collects the ball hit into the tree.

Steve Sutton, Midland Brick relaxes between shots.
