

# Why joining the Master Builders Residential Technical Forum is your best move in 2015?

The Builders Technical Round Table is a free flowing forum discussion between a small group of builders and peers to identify issues and solutions to hot topics.

It is hosted by Master Builders and facilitated by our Technical Advisor, Romina De Santis, plus a representative from the Building Commission.

This powerful mastermind group will help grow your business and reduce your risk, which ultimately, means increased profits.

**Best of all, it's FREE.**

## Hot Topics which may be a focus include:

- ✓ **Small apartment buildings in residential areas**  
Know the hidden requirements
- ✓ **Sound insulation between grouped dwellings**  
It's your responsibility and getting it wrong can be costly
- ✓ **Minor changes to approved plans - compliance with the building act requirements**  
When does a change require approval
- ✓ **General business and queries from members**  
An opportunity to get answers to the questions that are high on your list

Date: **1 May 2015**  
Time: **3.00pm – 5.00pm**  
Venue: **Master Builders**

Be quick to RSVP. This is a small group forum which will meet quarterly. Once fully subscribed, we will be starting a waiting list.
