EAGLES SUPPORTERS PAY TRIBUTE

Regional Midwest / Northwest Manager Di Gilleland and husband Dennis were treated to a very special game of football when the West Coast Eagles played the Adelaide Crows at Patterson Stadium Subiaco, on Saturday 11th July.

While the Eagles were outright winners with a 56 point win, it was an emotional game with the crowd paying special tribute to the Crows late - Coach Phil Walsh.

Many thanks to Rob Menzies from Roebuck Estate and Broome International Airport for one very memorable game.

INAUGURAL PORT HEDLAND GOLF DAY A WINNER

BUSINESS EXECUTIVES LUNCHEON

Master Builders inaugural Business Executive Luncheon was held recently held at the Zeewijk Training Restaurant. Presenter Mark Iriks has a background in Local Government both in administration and as a local Government Councillor.

A parliamentary candidate, Mark is a winner of numerous public speaking awards and a business leader who leads by example. Mark is the sales manager for Custom Fleet in WA & SA.

His life changing circumstances and the challenges and passion which followed and led to his success held everyone in awe. Feedback from those in attendance was invaluable, to the point that we have been asked to run another event dinner, so watch this space, it will be an evening event.
