

## **Effective Business Writing Skills**

Who should attend? Anyone required to communicate in writing.

You never stop learning how to better communicate

 Whether writing an informal email to a colleague to transmit information, or writing up a formal report or letter

The message has to be delivered effectively

This course will look at the purposes of, and the mediums to use to transmit, different communications, the language to use and the ways in which you can be misunderstood.

- Emails, memos and other informal communications
- Diaries, journals, site reports and other records of information
- Minutes of meetings; and
- Formal correspondence such as letters, contractual notices and claims.
