

**Thursday
30 April 2015**

**“68% of customers stop doing business with you for a reason that is completely
Within your power to control”**

Master Builders and Heartware Group have the course to help you.

Customer Service

To remain a profitable as an organisation you need to keep your customers...you need to have a reason for them to keep coming back to you time and again.

And if you're going to win rave reviews from your customers, the service level of your whole team, from reception to accounts and everything in between, has to be nothing short of exceptional!

In today's price-sensitive economy, everyone on your team needs to be willing to do whatever it takes to **“wow”** your customers – it's the only way to stand apart from your competitors and win the business.

Give your team the opportunity to learn how to deliver outstanding customer service and get everyone on the same page so that you're all focused on the bottom line...every customer service situation is a great sales opportunity – don't let business walk away.
