

JUDGING CRITERIA

The judging criteria for each award focus on the **quality of workmanship** in the following areas:

- Internal/ External Brickwork and or Render Finish
- Internal and External Carpentry Finish and Fixing
- Internal Plastering Finish
- Roof Alignment and Neatness of Finish
- Cupboard Finishes
- Floor and Wall Tiling
- Ceiling Fixing
- Internal and External Painting (if part of contract)
- Integrity of Structure
- Proficiency of Supervision

For Alterations and Additions Awards, further criteria also apply. These include integration of new addition with existing structure, workmanship, fixing (old to new), and marrying internal and external building materials.

On site judging will take place between **Monday 12 October 2015 and Friday 13 November 2015**.

Entrants will receive at least one week's notice of the inspection time and date. Judging dates and times are not negotiable.
