# BCA brickwork requirements

This course looks at the Building Code and Australian Standard requirements for brickwork including:

- *Accessories*
- *Reinforced and unreinforced masonry including internal and external walls and piers*
- *Exposure factors*
- *Chasing brickwork for services*
- *Weatherproofing of brickwork including flashing requirements for brickwork*
- *Maintaining continuous and minimum cavity*

**At the completion of the course the participants will have a better understanding of brickwork requirements of the BCA and Australian Standard. The workshop will be interactive and participants are encouraged to be involved with the situations that will arise.**
