# Customer Service

**Do you want to know how to deliver extraordinary customer service?**

**“68% of customers stop doing business with you for a reason that is totally within your power to change”**

Imagine a culture of “service entrepreneurship”, where each staff member enthusiastically takes responsibility for ensuring your customers have an experience they’ll want to share with everyone they meet! It’s no longer good enough to give “excellent” customer service. To get customers coming back to you time and again, to get customers giving you rave reviews, your service has to be nothing short of “extraordinary”.

In today’s price-sensitive economy, everyone on your team needs to be willing to do whatever it takes to “wow” your customers – it’s the only way to stand apart from your competitors and win the business

**Here are some topics covered in this 4 hour interactive course:**

- ❖ Identify the qualities of good and bad customer service;
- ❖ What makes service outstanding?;
- ❖ The 9 key attributes of an outstanding customer service provider;
- ❖ Moments of truth – outstanding service is up to everyone
- ❖ It’s the little things that make the biggest impact – what service memory can you create?;
- ❖ Important first impressions – grooming and deportment;
- ❖ Greeting the customer – what to do and what not to do!;
- ❖ Showing you care – practical ways to be helpful and service oriented;
- ❖ Exceeding customer expectations – under promise and over deliver.
