Laws & Rules specific to registered home builders

The registered home builder faces great challenges! Home building is more emotionally charged and more heavily regulated than the rest of the construction industry.

This course covers the extra rules that apply to Home Building Contracts under \$500,000 and the best ways of managing these contracts. It also looks at the consumer protection laws that apply uniquely to this market. A must for all Registered Home Builders!

Must and Must Nots for Registered Home Builders

- 1. Home Building Contracts Act**
 - Regulating contractual terms and behaviours
- 2. Building Commission**
 - Exclusive jurisdiction for resolving disputes
- 3. Consumer Protection**
 - How the new consumer laws apply to you
- 4. Contracts Best Practice**
 - Managing rights, obligations and expectations
