Safety Representatives course

5 Days

The aim of this course is to provide participants with the knowledge and skills to carry out the functions of an elected Health and Safety Representative.

Health and Safety Representatives play a crucial role in fostering cooperation and consultation between employers and employees in the workplace. This course is designed to enable the Health and Safety Representative to effectively represent their fellow employees on all matters relating to Health and Safety in the workplace.

Upon completion of the training participants will be able to:

- Apply WHS legislation in the role of a Safety and Health Representative or employee.
- Conduct workplace inspections.
- Communicate effectively on safety and health matters.
- Understand the role of WorkSafe in the workplace.
- Effectively represent employees on safety and health issues.
- Identify and evaluate hazards in the workplace and apply the risk management process.
- Assist with resolving safety and health matters in the workplace.
- Conduct an effective investigation into workplace accidents, incidents and injuries
