## Geraldton Builder is Master Builders Regional Member of the Year

Mr Ross Conti, the Managing Director of Conti Homes in Geraldton, has been awarded the 2016 Master Builders Regional Member of the Year.

The award recognises a regional volunteer who has made an extraordinary contribution to the Master Builders Association over the last 12 months.

Mr Conti has been a member of the Master Builders Geraldton Branch since 2004 when he was also elected onto the Regional Committee. This year Ross was a member of the judging panel for Master Builders-Bankwest Building Excellence Awards in the Great Southern and South West regions.

During Geraldton's 50<sup>th</sup> anniversary in 2014, Ross was named one of 11 local Champions.

Regional Manager of the Geraldton Branch, Mrs Dianne Gilleland, said that Ross has provided invaluable assistance, support and leadership to both herself and the regional Committee.

"Ross is a tireless volunteer who never complains and is always the first to volunteer his time. He is highly respected in the industry and local community and very deserving of this award," Mrs Gilleland said.

"I really enjoy working with Ross as he is always enthusiastic, rarely misses a meeting, and freely gives his time to assist wherever possible," Mrs Gilleland concluded.

Mr Conti was the unanimous choice of Master Builders regional staff across the whole of WA and thoroughly deserves to be this year's Regional Member of the Year.

Mr Conti said he was surprised to receive this prestigious award as there were many volunteers who contributed a lot to the Association.

"I am humbled to be acknowledged with this award as I really enjoy just helping out without making a fuss. As a membership based organisation, I would encourage more builders and suppliers to get involved as it is very rewarding," Mr Conti said.

The Award was presented to Mr Conti by Master Builders President, Rob Spadaccini, at Master Builders Members' End of Year Sundowner at Rambla on Swan in South Perth on 13 December in front of over 200 members.
