## Spadaccini Homes Wins Top Residential Award

***Spadaccini Homes has won the prestigious 2017 Bankwest Top WA Home at the Master Builders-Bankwest Housing Excellence Awards.***

Master Builders Executive Director, Michael McLean, said the win is an outstanding achievement that recognises the quality of workmanship that has gone into every aspect of the home.

“Rob Spadaccini and his team should be very proud of their success. Spadaccini Homes clearly has an excellent blend of specialist trades to be able to perform at such a high level of workmanship,” Mr McLean said.

The spectacular home in Watermans Bay features the highest quality materials and finishes including marble floors, timber stairs, glass lift, stone benchtops, and detailed cabinetwork. The 4 bedroom, 5 bathroom home also includes a family room, meals area and scullery, theatre room, alfresco and children’s play room.

Outside, the home has a very rich and luxurious look with its custom-made copper gutters, cedar lined eaves, shingle roof tiles, ponds, pool glass balustrade and more.

Robert Shaw, Chief Judge, said the home was a stand-out and all judges were extremely impressed with the level of detail and exquisite craftsmanship delivered throughout this project.

“This exceptional home shows an uncompromising understanding of what is needed in a building company to deliver an award-winning project which requires suppliers, sub-contractors and the whole team at Spadaccini Homes to be onboard. Congratulations to Spadaccini Homes for an outstanding entry,” Mr Shaw said.

The award was presented to Rob Spadaccini at the Master Builders-Bankwest Housing Excellence Awards last Saturday (25 February) at Crown Perth in front of a record crowd of over 750 industry guests.

It was a memorable night for Spadaccini Homes which amassed a clean sweep of awards, including Best Contract Home in three of the four price categories (\$1.4m - \$2m, \$2m - \$3m and Over \$3m), Small Builder of the Year, Excellence in Ceilings, Excellence in Carpentry, Excellence in Plastering Internal/External, Excellence in Floor and Wall Tiling, and Excellence in Cabinet Making.
