workshop

How builders can massively increase profits with Social Media & Client Banks in 2017.

Master Builders in conjunction with Rich Training present this informative 3 hour workshop, presented by Rich Latimer.

Marketing is the only way a business can develop and grow and for the trades industry there is no better or more cost effective strategy, than social and email marketing.

Within 5 years these mediums will be the dominant force in how people, find, learn about, trust and engage Builders and Trade services and Rich Training is on the cutting edge of these developments and #1 provider of social/email/digital marketing for Builders and Trades in Australia and recognised by Facebook as in the *Top 100 in the World!*

This workshop will:

- Demystify the latest buzz words such as social capital, social currency and client banking.
- Help you discover and learn processes for implementing and establishing your social media strategy.
- Explore the tools and methods to create revenue from these platforms.
- Help Builders understand how social media can create micro niche markets and attract higher profit jobs, and
- Assist you to gain the highest return on investment of any marketing channel.
- Provide an immediate pathway to implement the concepts discussed.

The workshop is structured into 5 sections:

1. Introduction – social change overview (15mins)
2. Explanation of Social Currency, Client Banking and Social Capital. How Social Media/Email Marketing play a vital role in these key areas of a modern business (1 hour)
3. *Short break – 15mins*
4. Case Study/Testimonials – with FAQs – (1 hour)
5. Implementation/FAQs – allowing you to engage Rich Training services at members discounted workshop only rates – (30mins)
