Mr Michael McLean
Executive Director
Master Builders Western Australia
michael@mbawa.com

Dear Mr McLean,

Re: MATES in Construction WA announces replacement CEO

MATES in Construction WA is pleased to announce the appointment of Brad Geatches as the incoming Chief Executive Officer, replacing Godfrey Baronie. Brad joins MICWA on 5th June, and will take over the role of CEO from 1st July 2018. Godfrey will continue on until the end of the year to support Brad and MIC WA to continue his work in consolidating relationships with stakeholders and continue to build and secure additional partnerships.

Brad comes to MATES with stellar credentials, ideal to take advantage of the good work done so far and move MICWA to a more solid foundation. Brad has a Bachelor of Commerce with management experience in the mining sector. He has overseen the runnings of the Cairns Port Authority and the Perth Airport as Chief Executive Officer. He has assisted organisations to be more efficient and grow their business. He is currently the Chairperson of Carers WA.

Brad is joining us because he says he wants to give back to the community and MIC WA is the ideal channel.

I look forward to arranging a time to introduce Brad to you in person in the near future.

Yours Sincerely

Colin Emmott
Chairman

Godfrey Baronie
Chief Executive Officer
