MASTER BUILDERS
WESTERN AUSTRALIA

Why Master Builders Western Australia?

A Master Builders WA membership connects you to the state's leading network of builders, suppliers, and subbies. As a member, you'll gain access to tailored services, expert advice, and exclusive benefits designed specifically for our industry here in WA.

Core Member Services

- **Contracts & Agreements:** Access a wide range of industry-standard contracts in both digital and physical formats - for all kind of projects and agreements, each formulated by the best in the business, set out clearly and definitively. Our eDocs platform lets you manage, store, and sign contracts securely with DocuSign.
- **Technical Advice:** Get expert guidance on Australian Standards, Building Codes, and Regulations.
- **Workplace Relations Support:** Our team is here to help with HR and industrial relations matters.
- **Legal Advice:** Access free legal guidance (up to 30 minutes per issue) from Jackson McDonald Lawyers.
- **Insurance Health Checks:** Ensure your business is properly covered with expert advice.
- **Training & Development:** Upskill with access to a wide range of accredited courses tailored to the building and construction industry, all delivered at discounted member rates. Complete your Diploma of Building and Construction and access expert support to help you achieve builder registration.
- **FutureBuild Academy:** Invest in future talent with FutureBuild Academy's industry led apprentice and trainee programs, offering discounted rates for members.
- **Workplace Health & Safety (WHS) Support:** Our in-house specialists are here to help you build safer, compliant workplaces with practical guidance you can trust.
